

## **BEER OF THE MONTH**

**4,50 €**

### ***Ploegsteert Amber***

### ***Queue de Charrue Ambrée***

***It's an amber beer with an orange yellow colour with a thin but dense beige colour foam.***

***The nose is fruity (apricot, orange and honey), malt and floral hops are also present.***

***In the mouth, we find all these components but also a touch of yeast and cinnamon.***

***The final result is well balanced and tasty, slightly hopped so it's a refreshing beer.***
